

Get a friend to join Scouting, and both of you might win \$100!!!

If you've had fun in Scouting, wouldn't it be great to have one or more of your friends join in your Scouting activities? Or maybe one of your friends played sports this fall, and missed the sign-up meeting — its not too late, because he can join Scouting any time!

It might be that you've made some new friends at school this year, and they've seen or heard about the great things you're doing in Scouting and now are interested in joining.

Whatever the case, we want to encourage you to invite a friend to join Scouting! So, we're having a special contest from now until December 20, 2012.

When you get a friend to join Scouting, both he and you will be entered into a drawing for two

\$100 gift certificates

(one for you, one for your friend)

to spend at the Scout Shop in Winston-Salem!

The drawing will be held on December 21. The odds of winning are pretty good — 1 in 100 or better.

It's easy!!! To enter, you must:

1. Recruit a new Scout into your Cub Scout Pack or Boy Scout Troop between November 12 and December 20, 2012.
2. Fill out the tear-off entry at the bottom of this page, and attach it to your friend's Scout joining application.
3. Give the new Scout application to your leader before December 20, with the tear off entry form attached.
4. Make sure your leader turns in the new application before 5:00 p.m. on December 20, 2012.

Your Scout leader can help you with ideas to help recruit your friends.

You can also ask your friends or their parents to visit the websites www.beascout.org or www.scouting.org

Cut or tear here and attach the entry below to your friend's joining application
